

## Veb aplikacija za administraciju studija

Aplikaciju koriste tri tipa korisnika:

1. Student
2. Profesor
3. Administrator

Student pogled

Pregled predmeta i ocena

Profesor pogled

Pregled svih predmeta na kojima je zaposlen

Pregled svih studenata po predmetu

Pregled svih ocena studenata po predmetima

CRUD operacije za ocenjivanje: UnesiOcenu, ObrisiOcenu, AzurirajOcenu, PregledajOcenu

Administrator pogled

CRUD operacije nad sistemom

UnesiStudenta, IzmeniStudenta, PregledajStudenta

UnesiProfesora, IzmeniProfesora, PregledajProfesora

UnesiPredmet, IzmeniPredmet, PregledajPredmet

PregledajOcenu

---

Entiteti

Student, Profesor, Administrator, Predmet, Ocena

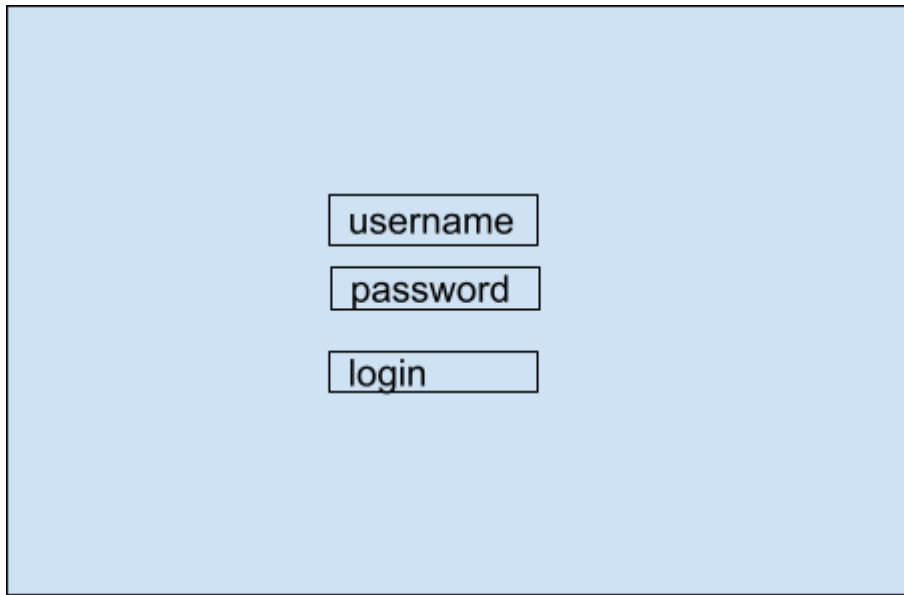

Student	Profesor	Administrator	Predmet	Ocena
Indeks Ime Prezime Jmbg Email Telefon Nivo-studija sifra	Ime Prezime Jmbg Email Telefon sifra	Ime Prezime Jmbg Email Telefon sifra	Naziv Sifru Spisak studenata Spisak profesora nivo-studija	Student Predmet Profesor Ocena Datum

Apstraktna klasa: Korisnik(ime, prezime, jmbg, email, sifra, telefon)

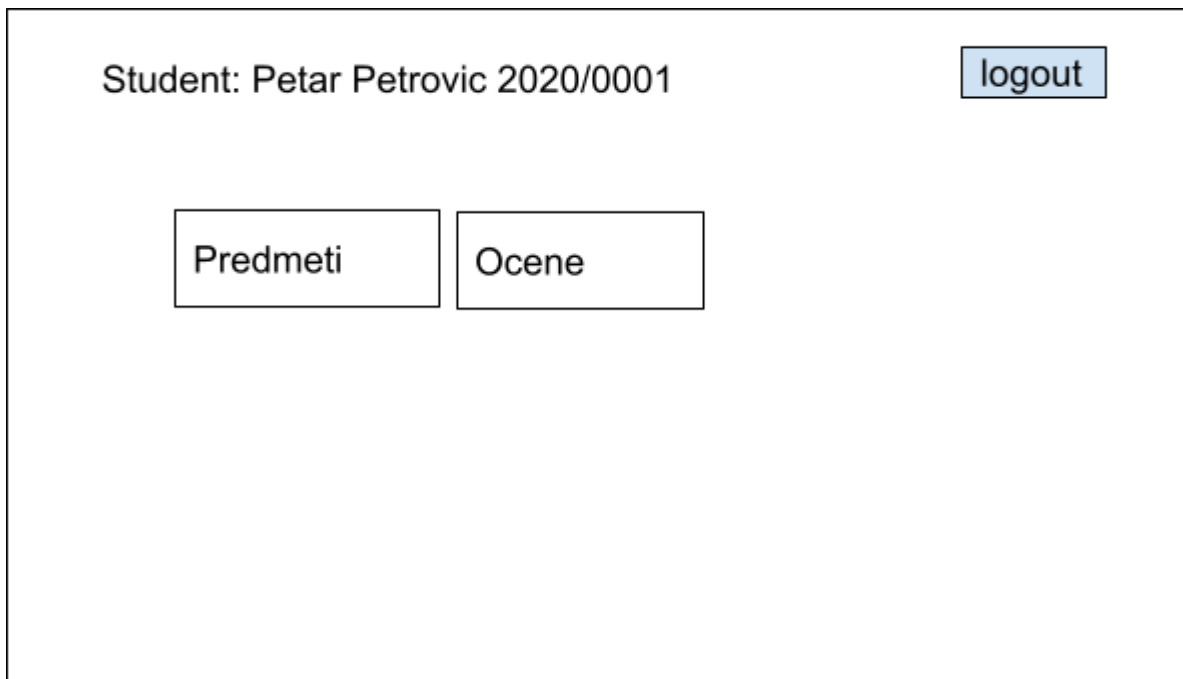

Interfejs: Student, Zaposleni

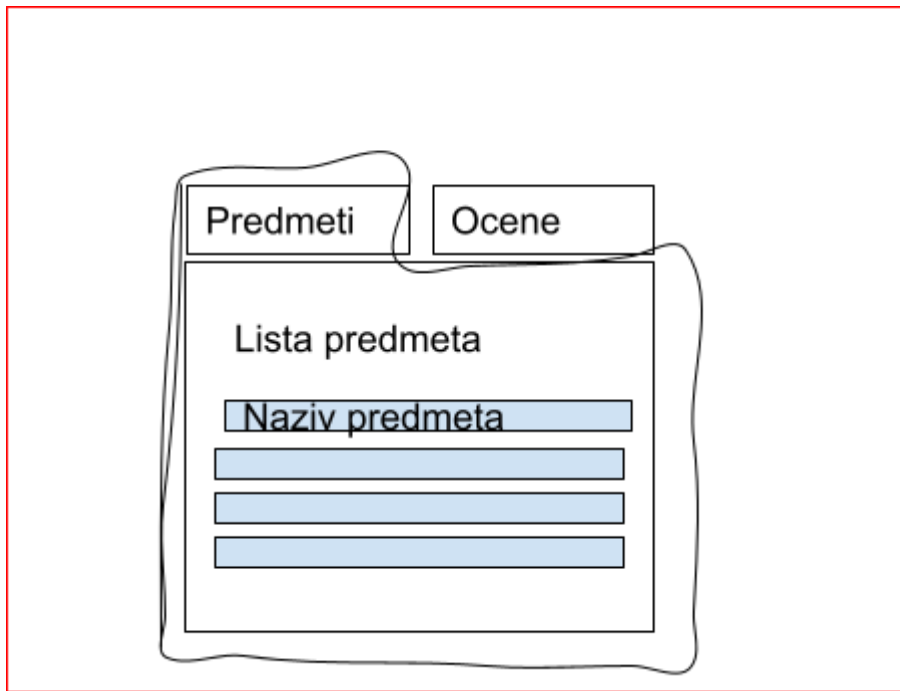

Klase: StudentOsnovnihStudija, StudentMasterStudija, StudentDoktorskihStudija, Profesor, Administrator, Predmet, Ocena

### General view

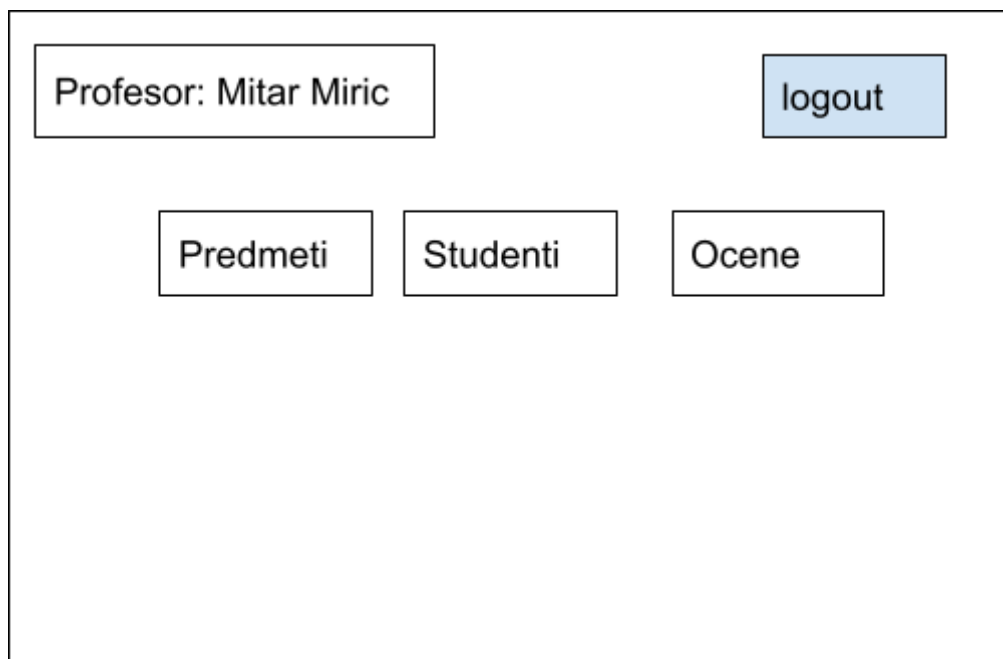

A light blue rectangular area containing three vertically stacked input fields. The first field is labeled 'username', the second 'password', and the third 'login'.

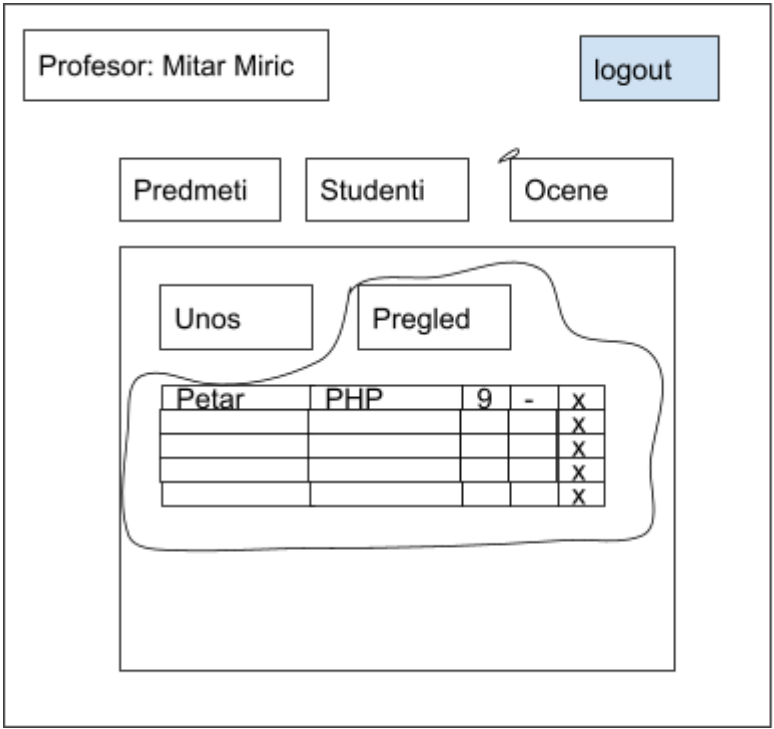

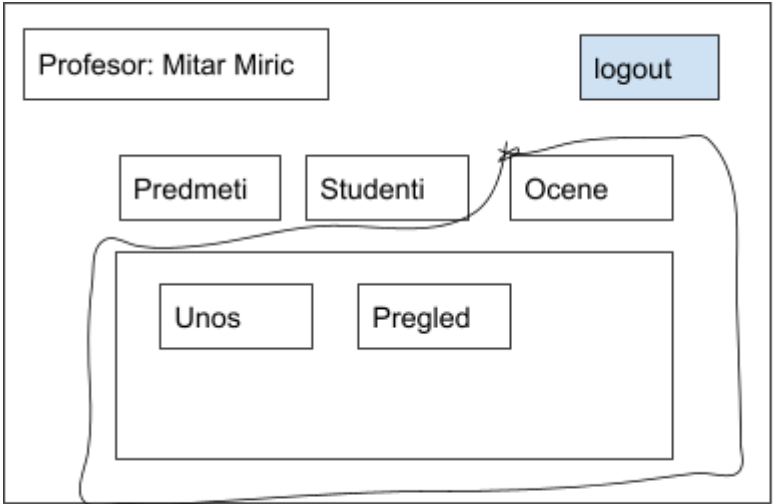

### Student view

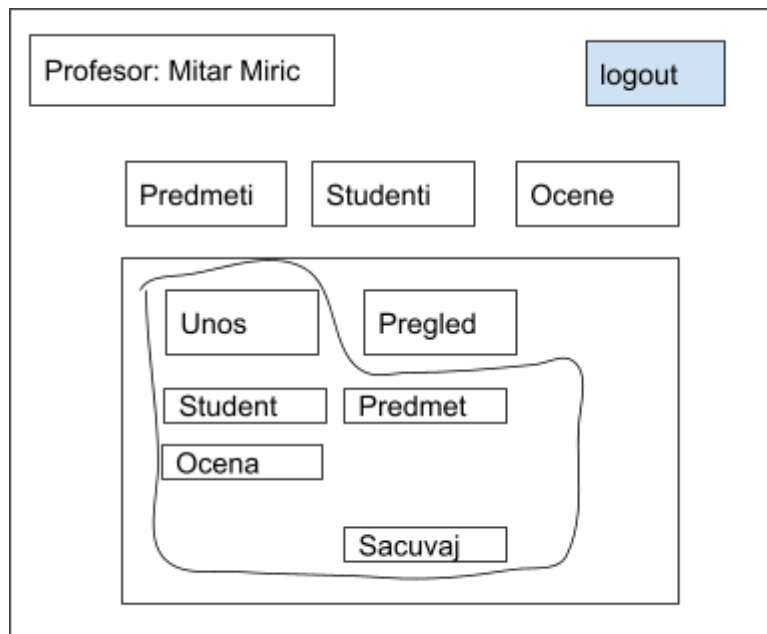

A white rectangular area representing a student's dashboard. At the top left, it displays the text 'Student: Petar Petrovic 2020/0001'. At the top right, there is a 'logout' button. Below this, there are two buttons: 'Predmeti' and 'Ocene'.

Professor view

Controller

CRUD operacije

Login/Logout - email, password > sesija (cuva korisnika i njegov tip)

Korisnika

Unos korisnika, IzmeniKorisnika, PregledajKorisnika

Predmet

UnosPredmeta, IzmenaPredmeta, PregledPredmeta

Ocena

UnosOcene, IzmenaOcena, BrisanjeOcene, PregledOcene
